

Dear School Administrators and Recruiters:

April 19, 2017 will mark the 40th anniversary of Teacher Candidate Interview Day (TCID), an education networking event that brings aspiring teachers – those completing their academic and professional preparation this academic year – together with schools and school districts from Indiana and beyond. For decades, TCID has helped the K-12 education community identify the best teaching candidates available and has proven its value over and over. We hope you will join us for this year's TCID!

On behalf of the College Career Center Consortium of Indiana (CCCC), representing 14 highly regarded Indiana colleges and universities, many thanks for your past support and your continued interest in this event.

Sincerely,
TCID Planning Committee

TCID 2017
